OBJECTIVE

Thrive on continuous learning and evolution, constantly seeking new opportunities to enhance skills and knowledge.

EDUCATION

Pre-University College, Science, Vidyanidhi PU College, Percentage-93.

July 2021

B.E., Computer Science and Engineering, BNM Institute of Technology, GPA-9.26.

2021 - 2025

SKILLS

- Programming Languages: C, Python, Java.
- Data Structures and Algorithms.
- MySQL, Operating System.
- Supervised and unsupervised Machine Learning algorithms.
- Matplotlib, seaborn for data visualization.
- Collaborative work.
- Problem-solving.
- Decision-making.
- Valuing Differences.
- Adaptability.

EXPERIENCE

Salesforce Administrator Intern | (online)

Oct 2023 - Dec 2023

Salesforce

Bengaluru, India

- Managed and updated customer records in Salesforce CRM, ensuring data accuracy.
- Created and customized dashboards in Salesforce to visualize key metrics and performance indicators.
- Collaborated with cross-functional teams to gather requirements and create dashboards tailored to specific business needs.

AI/ML Developer Intern | (Remote)

Aug 2023 - Oct 2023

Contrivers technologies

Bengaluru, India

- Developed XGBOOST model to predict the sales and forecast for 70+ products with an 80% accuracy.
- Utilized Random Forest algorithm to predict natural disasters, achieving error rate of $\leq 8.5\%$ in early warning systems.

PROJECTS

SONG.AI. Developed an innovative music platform in Python using Convolutional Neural Network (CNN) technology to interpret human emotions. Curated a diverse collection of songs tailored to specific emotions using a Spotify dataset.

Store Item Demand Forecasting. Engineered a predictive model using time series analysis to forecast future demand for store items, optimizing inventory management and reducing stockouts.

Advanced Driver Assistance Systems (ADAS). Designed a real-time AI-based ADAS system using YOLO and computer vision to detect traffic signs, and obstacles under varying weather and lighting conditions.

EXTRA-CURRICULAR ACTIVITIES

- Successfully passed physical and written examinations for Indian Navy recruitment. Demonstrated dedication and perseverance by clearing rigorous physical and written examinations for Indian Navy recruitment.
- Participated in BNM Cycle Street.

LEADERSHIP

- Exhibited leadership qualities by effectively leading a team during the Navy selection process, ensuring coordinated efforts and successful outcomes. "Completed certifications in Self-Leadership, and Servant Leadership from Harvard."
